ACTIVITY REPORT

Department	Information Technology	Event Date and Time	18.9.25, 9.30 am – 2.45 pm
Title of the Program/Event	"An one day workshop on AI Data mining Tools"- a comprehensive approach	No of Participants (Count)	55
Category of the event (Seminar / Guest Lecture / Symposium / FDP/ Orientation Programme / Refresher course/ Short Term Course/ Research Methodology/ Intellectual Property Rights(IPR)/ Entrepreneurship/ Skill development/ Placement Training/ Soft Skill/ Life Skill/ Awareness in Trends in Technology / Exhibition / College Common Function / Sports / Competition / Extension Activity / Conference/ workshop/Training/Others (Mention))	WORKSHOP	Name of the Chief Guest , Designation, Organization details etc	Dr.C.Bhuvaneswari , Assistant Professor, Dept. of Computer Science, Government Arts and Science College, Thiruvannainallur.
Event Organizer	Mrs.C.Karpagavalli	No of days of the event	ONE
Details of the Audience (Ex: Class/ Program/ External participants)	I B.Sc., IT II B.Sc., IT III B.Sc., IT	Associated External Agency (if any)	Nil
Objective of the event(4 Points)	To equip participants with a foundational understanding and practical skills in To leveraging AI-powered data analytics tools for data-driven decision-making. To Introduce key AI concepts, demonstrated industry-relevant tools, and To provide hands-on experience in analyzing, visualizing, and interpreting data To use modern AI technique Power BI.	Venue – Offline Online – Link	Conference hall & IT Lab.

One Page Report

With a Warm welcome address by Mrs.C.Karpagavalli and Presidential

Address by Vice Principal Mr.B.Netra prakash, Workshop session I commenced with the thought provoking and motivational speech by the guest Dr,Bhuvaneswari mam. She gave a clear and comprehensive overview of AI fundamentals, applications, and the significance of data-driven decision-making

The second session was more practical and interactive, emphasizing the tools, techniques, and real- world applications of data analytics. Hands-on insights into how AI-powered tool Power BI. The interactive Q& A kept participants engaged, and the live demonstrations enriched their learning experience. Students expressed that this session boosted their confidence to explore and experiment with AI tools further.

In Valedictory session all the student participants were given certificates and concluded with a heartfelt Vote of Thanks was delivered by Ms Dharshini , student of I Bsc., IT. The overall event was wonderfully compered by Ms.Jency Benidicta and Ms.Afrin Banu. The event was effectively coordinated by Mrs. C.Karpagavalli, along with Guidance of Mrs.P.kalaiselvi Head, & support of faculty members Mr.V.Dhinahar and Ms.Grace Beula.

Invitation

The poster is for a workshop organized by the Department of Information Technology at Achariya Arts and Science College. It features a blue background with circuit-like patterns. At the top, there is a yellow banner with the college's name and logo. Below this, the text 'DEPARTMENT OF INFORMATION TECHNOLOGY ORGANIZES A ONE DAY WORKSHOP ON ARTIFICIAL INTELLIGENCE DATA ANALYTICS TOOLS - A COMPREHENSIVE PERSPECTIVE' is displayed. A circular portrait of Dr. C. Bhuvaneshwari is shown, followed by her credentials: M.Sc., M.Phil., MCA, SET, Ph.D., Assistant Professor & Head, Department of Computer Science, Government Arts and Science College. Below the portrait, the roles of the Patron, Convenor, and Co-ordinator are listed. At the bottom, the date, time, and venue are provided.

DEPARTMENT OF INFORMATION TECHNOLOGY

Report On Club Inauguration-Achariya Syntax Squad

Event Report: Club Inauguration – Achariya Syntax Squad

Venue: Conference hall.

Resource Person: Dr.C.Bhuvaneswari, Assistant Professor, Dept. of Computer Science Government Arts and Science College, Thiruvannainallur.

No of Participants: 55

Co -coordinator: Ms B Beula Grace, Assistant Professor, Dept of IT.

Summary of the Event:

The Inauguration of the ACHARIYA SYNTAX SQUAD IT Club was marked by the grand unveiling of the club logo, symbolizing the official launch of the club's

activities and objectives. The unveiling was graciously done by Dr. Bhuvaneswari mam. Joined and Supported by Vice Principal Mr.B.Netra prakash sir, Guidance and Head of the department Mrs.P.kalaiselvi mam, faculty members Mr.V.Dhinahar sir and Mrs. C.Karpagavalli mam, and students of the Department of Information Technology.

Investiture Ceremony:

As part of the Inauguration of the ACHARIYA SYNTAX SQUAD IT Club, an investiture ceremony was held to formally induct the student office bearers. The ceremony recognized the leadership team who will take charge of organizing and coordinating club activities for the academic year.

Badges were ceremoniously presented to the newly appointed club members, with:

- **President:** J. Jency Benedicta
- **Vice President:** Raphayel Rohith
- **Treasurer:** Karishma
- **Joint Secretaries:** Vanirani, Mutharasan, Nazeer, Sabarish, Shruthi, and Sharun.

The dignitaries present at the event congratulated the office bearers and encouraged them to carry out their responsibilities with dedication, leadership, and teamwork.

The event concluded with the mission and vision of the club being shared by the student representatives on stage **Jency Benedicta** and **Raphayel Rohith**, outlining the club's purpose to foster learning, innovation, and collaboration in the field of Information Technology.

Objective of the event(4 Points)	a) To provide students with practical knowledge of Power BI tools and dashboard creation. b) To help students understand the fundamentals of UI/UX design in data visualization. c) To enhance collaboration and innovation through the Achariya Syntax Squad club activity. d) To encourage students to explore creative and modern visualization methods in Power BI UI/UX design.	Venue – Offline Online – Link	IT Lab

Summary of the Event

As a part of the Achariya Syntax Squad Club activities, the Department of Information Technology organized an online session titled *"Power BI UI/UX Design Roadmap"* on 9th October 2025. The session was conducted through the Mind Luster learning platform and aimed to introduce students to the world of data visualization and interactive dashboard creation using Power BI.

The event commenced with an introductory address highlighting the growing importance of data-driven decision-making in the IT industry. The resource person emphasized how Power BI serves as a powerful analytical and visualization tool that allows users to transform raw data into meaningful insights through interactive reports and dashboards.

Students were guided through the step-by-step process of creating dashboards, beginning from data import to visualization customization. The session also focused **on** UI/UX principles, explaining how visual design, layout consistency, color selection, and user interaction play a crucial role in making dashboards both attractive and functional.

During the hands-on demonstration, participants explored various visualization types such as charts, graphs, cards, and slicers, learning how to effectively present business data. They also learned how to apply filters, manage datasets, and design dashboards that ensure clarity, engagement, and accessibility for end users.

The interactive nature of the session allowed students to ask questions, clarify doubts, and discuss innovative ideas on dashboard creation. It helped them understand how well-structured visualization enhances data interpretation and improves user experience. The event also motivated participants to explore creative approaches in presenting analytical insights using Power BI's advanced features.

The session concluded with a brief reflection on the importance of combining technical and design skills to meet the modern industry's expectations. Students expressed great enthusiasm and appreciation for the learning opportunity, acknowledging that it improved both their technical and creative abilities.

One Page Report

Summary of the Event

As a part of the Achariya Syntax Squad Club activities, the Department of Information Technology organized an event titled **“FunFinity”** on **11th November 2025**. The event was designed to bring together innovation, interaction, and entertainment through a series of engaging fun activities.

The program aimed to enhance students’ logical thinking, communication through events like **Group Discussion, Technical Quiz, Bug Hunt, and Musical Chair** . Each activity was carefully planned to encourage both teamwork and individual excellence.

Students from the department enthusiastically participated in all the sessions, showcasing their creativity and technical abilities. The vibrant environment created a perfect blend of learning and enjoyment, making the event a memorable experience for everyone.

The event FunFinity concluded with great success, leaving students motivated and inspired. The activities conducted throughout the day encouraged participants to think critically, work collaboratively, and express their ideas confidently.

REPORT ON “EMERGING TECHNOLOGIES IN DATA SCIENCE”

With immense pleasure and academic enthusiasm, the Department of Information Technology of Achariya Arts and Science College organized a guest lecture on “Emerging Technologies in Data Science” on 17th October 2025 at 10:00 AM in the Conference Hall.

The session was graced by Dr. Ushadevi, Principal of Achariya Arts and Science College, and convened by Mrs. P. Kalaiselvi, Assistant Professor and Head, Department of Information Technology. Mr. V. Dhinahar, Assistant Professor, Department of IT, coordinated the event.

The resource person, Mrs. S. Divya, Assistant Professor and Head, Department of Data Science, Christ Arts and Science College, delivered an insightful talk on the current trends and emerging technologies in the field of Data Science. She explained various concepts such as Artificial Intelligence, Machine Learning, Big Data, and their real-world applications.

This guest lecture aimed to provide students with valuable insights into the rapidly evolving field of Data Science. The speaker elaborated on recent trends, tools, and technologies such as Artificial Intelligence, Machine Learning, and Big Data Analytics, emphasizing their real-world applications across various industries.

The session focused on:

- Exploring the significance of data-driven decision-making in modern technology.
- Introducing emerging technologies and frameworks used in data analytics.
- Motivating students to pursue research and careers in Data Science and related domains.

The lecture was highly interactive and informative, giving students a clear understanding of current industry trends and future opportunities in the field. The event concluded with a vote of thanks by the organizing team, expressing gratitude to the guest speaker, faculty members, and students for their enthusiastic participation.

The interactive session was highly informative and provided students with valuable knowledge about the scope and career opportunities in Data Science. The event concluded with a vote of thanks, expressing gratitude to the speaker, faculty members, and participants for making the program successful.

Respected Sir/Madam,

Subject: Invitation to Deliver a Guest Lecture on Emerging Technology in Data Science.

We are pleased to inform you that the Department of Information Technology, Achariya Arts and Science College is organizing a guest lecture on "Emerging Technology in Data Science" for our students.

We would be greatly honoured if you could accept our invitation to be the Guest Speaker and share your valuable insights and experiences with our students on 17.10.2025. At Achariya Arts and Science College Conference Hall.

Thank you for considering our invitation. We look forward to your positive response and to welcoming you to our institution.

Thanking you,

Convenor: Mrs.P.Kalaiselvi.

Coordinator: Mr.V.Dhinahar.
